Reflections on 2025

It is easy to forget all the wonderful activities and accomplishments AAUWNN was a part of over the last year, as we all lead busy lives. And so, as 2025 rapidly comes to a close, I thought I would do a brief review of our year.

In January, February, and March our Scholarship Committee was hard at work reviewing scholarship applications from both high schools and making selections. The Scholarship Committee is always looking for volunteers to help read applications. Contact Caryn Doehler if interested. In addition, our NCCWSL (National Conference for College Women Student Leaders) students from Schoolcraft College were completing their applications to participate in this excellent leadership training program held in College Park Maryland.

At our Annual Meeting on May 13, we kicked off our 50th Anniversary and honored Joyce Murdock and Karen Olsen for their 50 years of involvement in AAUWNN. Our named honoree was Harriet Sawyer for her dedicated work on revising our Bylaws and Policies and Procedures.

Also, in May we hosted two Career Path Days (CPD) for 8th grade girls from Northville Middle Schools. They explored some career possibilities at Schoolcraft College, had lunch at Genetti's and visited some local businesses. Judy Sherman coordinated this program and would be happy to have a few more volunteers.

In June, through our Remember the Ladies Program, we supported all the elementary school libraries (12 total) with a donation to purchase learning materials about women in history. We also donated to the Endowed Scholarship Programs at Schoolcraft College and Oakland Community College to benefit women returning to school after a break in their education.

Finally, September 24 arrived and we hosted our 50th Anniversary Celebration at Genetti's Hole-in-the-Wall in Northville. The Mayor of Northville came to share the City of Northville's Proclamation making September 24, 2025, AAUWNN Day in Northville. The Novi Mayor dropped in, and two Novi City Council members came for dinner. Charity Meier from the Novi Note attended and Congresswoman Debbie Dingell came with a framed declaration honoring us in the 119th Congressional Record. What an evening!

Looking ahead to 2026, your Fashion Show Committee is hard at work planning our big fundraiser scheduled for April 25, 2026. Along with our Mah Jongg Tournaments, the Fashion Show helps raise the money we need to support all the above-mentioned programs.

Building and maintaining our membership is key to keeping our organization viable and moving forward. If you have a friend or family member who might be interested in our cause or is looking for a way to give back to our communities, invite them to a meeting in 2026. Emily Doubler, Membership VP, would be happy to talk with them.

And finally, may your holiday season be filled with love and laughter and good times with family and friends. Hope to see you at our December meeting!

Karen

First Step of Wayne County Working for Peaceful Families and Safe Communities

L. to R., Joyce Murdock, Emily Doubler, Audrianna Buchanan-Cronk, Carol Murchison, Mary Jane Kearns, Mary Ann MacLaren, Lee Doyle, Karen Zyczynski, Betty Mooney, Caryn Doehler, Ruth Rickard, Karen Visger, Reem Alam, Deena Parks-Alam, Kay Bartol

On November 11, Audrianna Buchanan-Cronk, Director of Operations and Engagement at First Step spoke to our group. First Step, in Wayne County, provides comprehensive services for survivors of domestic and sexual violence. It has been around for 45 years, is the largest facility in Michigan and has the highest quality rating in the state.

Almost half of First Step's funding comes from Victims of Crime Act (VOCA) funds. These are federal crime fines that are rolled down to cover costs for victims. With less enforcement of white-collar crimes, there has been a 40% decrease in VOCA funding. This has had a drastic impact on First Step's funding.

What can we do? Reach out to Senators and Reps and ask them to tour First Step.

Donate. Volunteer. Support victims. Survivors with the best outcomes are those with the strongest support systems. Audriana recommends giving grace and removing judgement when helping victims. She handed out pocket cards that can be shared with anyone

who may have a need for First Step's services.

The Lethality Assessment Program is a national program with well-defined process for adoption. It is a protocol used by law enforcement and other first responders to screen victims of intimate partner violence (IPV) to identify those at the highest risk of being killed or seriously injured. LAP consists of a structured risk assessment questionnaire and an immediate referral system to connect high-danger victims with domestic violence services, such as hotlines, shelters, counseling, and safety planning. Only **five** cities in Michigan have adopted the lethality assessment by going through the training and adhering to its tenants. Fortunately for us, 4 of those cities are: **Northville, Northville Township, Plymouth, Canton.** (also, Taylor.)

Volunteering opportunities with First Step: Front Desk, Tabling, Nurturing

December 10 AAUWNN has volunteered to assist in a Holiday Gift Wrapping Station from 9:45 AM to 1 p.m. If interested in helping, contact Emily Doubler.

At our December meeting, the board has decided that First Step will be the recipient of our holiday giving.

This is the always wish list that we will use -

Remember the Ladies

Our "Remember the Ladies" project is our **no work fundraiser**. A book about women put in a school library is a great and unusual Christmas gift for a mom, daughter, granddaughter or anyone on your list. The holidays are coming up. Do you need a holiday hostess gift and still can't think of a good idea? Instead of another candle, a woman's biography may inspire a daughter or granddaughter to become the person who discovers the cure for breast cancer. To donate a book call me at (734) 207-1942 or (313) 381-2350 or contact me at my e-mail address, jgmurdock12051942@wowway.com.

The purpose of our "Remember the Ladies" Program is to place women's biographies in the Northville and Novi school libraries so there is a more equitable distribution of male and female biographies. The minimum contribution is only \$15 and an order form is on page 10 of this newsletter.

The title of the program came from a quote that Abigail Adams wrote in a letter to her husband John Adams when he was drafting the code of laws for the fledgling nation. She wrote, "I long to hear that you have declared an independency. And, by the way, in the new code of laws which I suppose it will be necessary for you to make, I desire you would remember the ladies and be more generous and favorable to them than your ancestors."

What's Up at National re: Contributions?

This is the time of year when we most think about donating to our favorite causes, and I hope you will consider contributing to AAUW.

If you have tried to donate online to AAUW, you would have found some changes – and a much simplified way to do it.

The most recent changes to AAUW's funds include a strategic focus on increasing contributions and

donor numbers for specific funds in fiscal year 2026. AAUW aims to raise \$30 per member towards the Greatest Needs Fund, increase contributions to this fund by 15% compared to the last fiscal year (July 1, 2024, to June 30, 2025), and increase the number of individual donors. The Greatest Needs Fund is particularly important as it consists of unrestricted funds used where the need is greatest, including administrative costs, advocacy, public policy, and programs supporting equity for women and girls.

AAUW also encourages branches to contribute to the Defend Higher Education Fund and the Public Policy Fund, which address critical higher education issues and enhance advocacy efforts nationwide. In fiscal year 2024, AAUW gave out \$6.2 million in fellowships and grants to 276 recipients, supported largely by these funds. Additionally, the Legal Advocacy Fund continues providing renewable grants (\$5,000 to \$20,000) to support gender-equity legal cases.

Overall, while 96% of AAUW's assets are restricted to specific uses like fellowships and grants, only 4% are unrestricted for flexible use, which is why boosting the Greatest Needs Fund is a primary funding priority for AAUW in 2025-2026

...empowering women since 1922
